

Written Determination Made Pursuant to Utah Code §§ 52-4-207(4) and (5)

Due to the health risks caused by the COVID-19 pandemic, I have made a written determination that conducting a meeting with an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location. The Department of Administrative Services (DAS) Fee Agency hearing, required by Utah Code § 63J-1-504, is a meeting that I believe will have interest from other agencies and the public, and as such, will be difficult to estimate and potentially keep socially distant the number of people wanting to attend the meeting. Accordingly, I have determined that in the interest of health and safety, DAS can accomplish what needs to be accomplished electronically.
